

INTERFAITH GAMES

BOYS' ATHLETICS INFORMATION PACK

NORTH HUB
MONDAY 15 MAY 2017

Introduction

Thank you for participating in the Interfaith Games. The Association of Muslim Schools is honoured by your school supporting the third edition of the Games since their inception in 2015. We hope to continue expanding our range of events and that your school continues to take part in future editions.

We hope this athletics tournament can provide a platform for your students to showcase their skills and act as ambassadors for your school and the faith educational sector as a whole. We expect a competitive event which is fun for all participants, yet respectful and considerate of others.

As this is a boys' only event, we politely ask you do not bring any female staff members, representatives or spectators who will be supporting your schools to respect the wishes of schools, parents and the participants.

Tournament Rules

- The Athletics competition is made up of 10 events – 9 individual and one team relay
- Each individual event will consist of one athlete from each school; the team relay will consist of 4.
- Schools may enter one team of up to a maximum 13 athletes from students in years 7 and/or 8.
- An athlete can take part in a maximum of three events but the limit of one team member per event is still applied.
- Athletes will be allowed 3 trials in each field event.
- High jump will go up by agreed increments. Athletes may choose to miss jumps but the bar can only be put up. 3 consecutive failures will result in elimination. If results are equal after the final competitors have been eliminated, positions will be allocated on 'count back'.
- Track will take priority over the field. Any student being called for a track event during their field event should inform the official (who will keep the card open until the athlete has had a reasonable recovery) and then compete in the track event. They should return to the field event as soon as possible after the track event.
- Teams will gain points from each event they compete in, which will go towards a final total to determine the overall champions. 15 points will be awarded for first, 14 for second and so on. Relays will count double i.e. 30 for first, 28 for second and so on. For this reason, we recommend you enter a student in every event as a few points could make a big difference in the final standings.
- Medals will be awarded for first, second and third place in each event. The overall winning school will receive the Interfaith Games trophy.

Please note:

- Coaches are responsible for the safety and conduct of their students. Please ensure you have adequate personnel to manage your team.
- To ensure good timekeeping we ask all teams to arrive in their kit.
- In the case of extreme or persistent misbehaviour, officials can order a player to be ejected from the remainder of the competition. This also applies to coaches and whole teams.
- Foul and abusive language and behaviour will not be tolerated. Anyone guilty of doing so will take no further part in the tournament and their school will be informed.
- The decision of the officials is final. Please do not to engage in any attempt to influence the officials or this will result in the expulsion of your team and annulment of their results.
