## What is an independent school?

Independent schools (also commonly known as private schools) are not funded by the government and therefore charge school fees, though many also offer bursaries (fee reductions). They are 'independent' because of their freedom to operate outside government and local government control. Being independent means that private schools are free from government control in areas such as admissions, curriculum and assessment, although safeguarding and child protection requirements still apply.

## Fee assistance and independent schools

The Independent Schools Council (ISC) ([www.isc.co.uk](http://www.isc.co.uk)) has over 1,300 independent school members. Over a third of the pupils attending an ISC school are on reduced school fees as a result of a school bursary or scholarship. If you are interested in finding out about ISC schools with a sixth form who offer scholarships and/or bursaries in Glasgow then you can find them listed below along with information about the school and the fee assistance that they offer.

The ISC school search is also a very useful resource to find schools. You can search by a range of search criteria such as location, age range and by bursary or scholarship type. The schools search can be accessed here: <https://www.isc.co.uk/schools/>

General information about scholarships and bursaries at ISC schools as well as more about independent schools can be found on the ISC website here: <https://www.isc.co.uk/schools/information-for-parents/>
