## What is an independent school?

Independent schools (also commonly known as private schools) are not funded by the government and therefore charge school fees, though many also offer bursaries (fee reductions). They are 'independent' because of their freedom to operate outside government and local government control. Being independent means that private schools are free from government control in areas such as admissions, curriculum and assessment, although safeguarding and child protection requirements still apply.

## Fee assistance and independent schools

The Independent Schools Council (ISC) ([www.isc.co.uk](http://www.isc.co.uk)) has over 1,300 independent school members. Over a third of the pupils attending an ISC school are on reduced school fees as a result of a school bursary or scholarship. If you are interested in finding out about ISC schools with a sixth form who offer scholarships and/or bursaries in Leeds then you can find them listed below along with information about the school and the fee assistance that they offer.

The ISC school search is also a very useful resource to find schools. You can search by a range of search criteria such as location, age range and by bursary or scholarship type. The schools search can be accessed here: <https://www.isc.co.uk/schools/>

General information about scholarships and bursaries at ISC schools as well as more about independent schools can be found on the ISC website here: <https://www.isc.co.uk/schools/information-for-parents/>

- Sixth Form scholarships
- Bursaries for new entrants
- Hardship awards for existing pupils

### **Bursaries at The Grammar School at Leeds**

The Grammar School at Leeds is committed to providing financial support for academically talented children from low-income backgrounds through means-tested bursaries. These bursaries are available to external pupils joining the school into years 7 or 12.

Demand for bursaries is high, with typically around 10 applications for each year 7 bursary and around 3 applications for each year 12 bursary, therefore we encourage families to read carefully the academic and financial criteria as stated in our [bursary policy](#).

Depending on the family's financial circumstances and the pupil's academic performance throughout our assessment process bursaries awarded can range in value from 10% to 100%. Families looking to apply for a year 7 bursary in September 2020 should submit their applications by 31 October 2019 whilst those looking to apply for a year 12 bursary should submit their applications by February 2020.

### **Music scholarships at The Grammar School at Leeds**

Building on our proud music tradition The Grammar School at Leeds offers a small number of music scholarships to external pupils joining the school into year 7.

Depending on the pupil's musical ability our music scholarships offer either a 20% fee reduction or free instrumental lessons. The application process for a music scholarship includes an audition and we generally expect applicants to be approaching or at grades 4 or 5, preferably on an orchestral instrument.

Families looking to apply for a music scholarship in September 2020 should submit their applications by November 2019.

Further information relating to our bursaries and music scholarships can be found [here](#) on our website however please also contact our admissions team on 0113 228 5121 if you would like to find out more as we would be happy to answer any questions you have.
